The Barn of Wyckoff is rich with history.

Built in 1779 as a dairy barn, the structure was converted in 1929 and first operated as a speakeasy.
The bar is built from an old farm wagon and still stands today with its original wagon wheels.

Over the years, **The Barn** became famous for great burgers and good times. Many Bergen County couples marked their romances by carving their initials in the tables while waiting to be served. You might even spot your friends' or family's initials here today.

We hop you'll enjoy the best of the past and create new traditions and memories at **The Barn**.

We Gladly Accept VISA, MasterCard, Discover and American Express
